

A Visit to the Pumpkin Patch 2011

A fun learning experience

We invite you to bring your group to visit our farm and pumpkin patch this fall. During the visit, everyone learns about a fruit and vegetable farm while having fun picking their own pumpkin from the patch. Mr. Altenburg (the farmer himself) provides each group with individual attention to ensure that everyone has a fun, educational visit to the farm. Our farm is located 3 miles east of Wis. Rapids or 10 miles west of Plover on Highway 54.

2011 - 121 Years of Altenburgs Farming in Central Wisconsin

**A Farming Tradition
as a True, Working Family Farm**

Altenburgs have been farming in Central Wisconsin since 1890! We are proud to continue the farming tradition. We are grateful to the many teachers, children, and families from Central Wisconsin and beyond who have visited our farm over the years, including those who started when they were children and now bring their own children. Thank you for sharing in fun times at our farm.

Goat Walk

This year, we have a goat walk at our farm. You might wonder, "Just what is a goat walk?" It is a tall bridge that goats climb to get to some feed. Goats like a steep climb and you'll enjoy watching them make the climb on our goat walk.

Optional Walk-Through Corn Maze

If your group has available time, you may wish to add our 3 1/4 acre walk-through corn maze to your visit. This year's theme is The Family Center-A New Beginning.

Let's Do Lunch!

We offer a lunch area to groups that would like to bring their lunch and eat at our farm. In the event of inclement weather, your group can eat lunch in a sheltered area. When calling to schedule your group's visit, please let us know if you would like to "do lunch" at our farm.

The Pumpkin Crop is Looking Great!

We have a good crop of about 8 acres of pumpkins this year! The pumpkins for each visitor to pick are of a good size, larger than pie pumpkins. We look forward to your group's visit and sharing a fun, educational experience at our farm.

The educational visit (of about 1 hour or better) includes:

A tractor-driven hayride to the pumpkin patch, through a drive-through maze, and around our farm including an educational guided tour by Farmer Altenburg

A visit to our "spook house", a greenhouse decorated for Halloween (not too scary for little tykes).
New items each year!

Fun experiences like picking a pumpkin from the patch, crawling through a bundle of cornstalks, having fun in our straw play area, visiting Boot Hill Cemetery, and enjoying the goat walk and various Halloween decorations on our farm.
