Preschool & Grade School Tours

We invite preschool and grade school classes to visit our farm and pumpkin patch this fall. During the visit, children learn about a fruit and vegetable farm while having fun picking their own pumpkin from the patch. Mr. Altenburg (the farmer himself) provides each group with individual attention to ensure that everyone has a fun and educational visit to the farm. Visit our website, www.altenburgsfarm.com for more information and call (715) 421-2943 to schedule your group's visit.
