Preschool & Grade School Tours

We invite preschool and grade school classes to visit our farm and pumpkin patch this fall. During the visit, children learn about a fruit and vegetable farm while having fun picking their own pumpkin from the patch. Mr. Greg Gerdes, farm director, provides each group with individual attention to ensure that everyone has a fun and educational visit to the farm. Visit our website, [www.altenburgsfarm.com](http://www.altenburgsfarm.com) for more information and call (715) 884-2808 to schedule your group's visit.
